Summary

Senior Front-End Developer with 4+ years of experience building modern, scalable, and business-oriented web applications. Specialized in React, Next.js and TypeScript, with a strong focus on dashboards, administrative platforms, complex workflows, and data visualization. Experience working with remote teams and LATAM startups.

Experience

Connectic CL — Front-End Developer

Santiago, Chile (Remote) · Jan 2022 – Present

- Developed web and mobile platforms for industries such as **mining, energy, logistics and government**.
- Built **productivity dashboards**, reports, interactive maps and multi-role systems.
- Implemented complex workflows for **validations, budgets and state management**.
- Main technologies: **React, Next.js, TypeScript, Ant Design**.

LineUp — Front-End Developer (Freelance)

México CDMX (Remote) · 2024 – Present

- Frontend development of a **fintech loyalty program** for point accumulation and redemption through events.
- Integrated APIs for **users, points and rewards**.
- Strong focus on **UX, performance and scalability** using React.

Atik Soluciones Digitales SAC — Front-End Developer

Lima, Perú · Jun 2021 – Jan 2022

- Built a **sales management system** using React.
- Implemented UI screens from Figma and integrated **REST APIs**.
